

The West Elgin Community Health Centre is currently seeking a:

## Community Development and Program Assistant

STUDENT EMPLOYMENT  
up to 37.5 hours weekly  
(until approximately August 28/20)

### ABOUT US:

The West Elgin Community Health Centre is part of a strong network of community health centres across the province. Together we commit to providing health and social services that are accountable, accessible, efficient and governed by the community.

Our team provides primary health care, illness prevention and health promotion services, as well as a range of community programs primarily to the residents of Dutton Dunwich and West Elgin municipalities. Our diabetes services are open to anyone and are offered at multiple locations in Elgin County.

We believe that housing, education, food and the environment all play a role in health and well-being. We also believe that language, literacy and poverty should not get in the way of receiving great care.

At the West Elgin Community Health Centre, EVERY ONE MATTERS.

# JOIN OUR TEAM

The Community Development and Program Assistant will support the Community Services Team by providing assistance in the planning, development, execution, monitoring and evaluation of various projects including a new community garden, an existing community raised bed garden, a Good Food Bank, a Peer Advocacy Program and a Youth Safety day for differently abled community members and their families.

### PRIMARY RESPONSIBILITIES:

- Assist with the coordination and facilitation of meetings of community partners, community residents and staff related to various projects.
- Assist with writing and development of promotional materials for the various projects to be shared with staff, clients, media and public.
- Assist with pre and post evaluations of the various projects and report on outcomes.
- Work in a manner that incorporates health promotion and recognizes the determinants of health.
- Respect and value the diversity of communities and individuals.
- Work in a manner that preserves confidentiality and seeks to minimize risk.

### QUALIFICATIONS:

- Student attending College or University in a relevant health or social services program.
- Strong computer skills required. The successful candidate must be comfortable developing virtual programming and using social media.
- Must have the ability to work remotely (from home) and at the office.
- Must be confident to work alone and as part of a team.
- Flexibility to work evenings/weekends according to program needs.

### APPLY TODAY!

Applications accepted until June 28, 2020  
Candidates invited to interview will be contacted

Send Resume by mail or e-mail to:  
Debra Auterhoff  
[DAuterhoff@wehc.on.ca](mailto:DAuterhoff@wehc.on.ca)  
West Elgin Community Health Centre  
153 Main Street, West Lorne, ON NoL 2Po

Every  
One  
Matters.

*The Centre is an equal opportunity employer and all applicants are welcome. We thank all candidates for their interest, however, only those selected for an interview will be contacted. Individuals requiring accommodation during the application and/or the interview process should advise the recruitment contact so arrangements can be made.*
