ABOUT US:

The West Elgin Community Health Centre is part of a strong network of community health centres across the province. Together we commit to providing health and social services that are accountable, accessible, efficient and governed by the community.

Our team provides primary health care, illness prevention and health promotion services, as well as a range of community programs primarily to the residents of Dutton Dunwich and West Elgin municipalities. Our diabetes services are open to anyone and are offered at multiple locations in Elgin County.

We believe that housing, education, food and the environment all play a role in health and well-being. We also believe that language, literacy and poverty should not get in the way of receiving great care.

At the West Elgin Community Health Centre, EVERY ONE MATTERS.
