Dear Health Centre Clients and Community:

The Health Centre is suspending the monthly Chronicle back page advertisement as of July 29, 2021. We will continue to share information through the Chronicle from time-to-time but in a different format.

How are all the ways to learn about what's going on at the Health Centre?

Our Let's Connect and Community Support Services event calendars (in paper and electronic format), social media including Facebook, Instagram and Twitter, our website at wechc.on.ca, program flyers posted throughout the Community, email distribution, a digital support services program to assist clients without electronic media and personal contact with clients who are experiencing limited access to Health Centre information.
