Health Centre

JOIN OUR TEAM

ABOUT US:

The West Elgin Community Health Centre has served our rural communities for 30 years. We work alongside extraordinary people at the Centre. We are very proud to be a part of an alliance of community health centres across the province where we focus on improving the health and wellbeing of people and communities. We continue to value and advocate for a more inclusive society.

We believe that housing, education, food and the environment all play a role in health and well-being. We also believe that language, literacy and poverty should not get in the way of receiving great care.

Our team provides primary health care, illness prevention and health promotion services as well as a range of community programs primarily to the residents of Dutton Dunwich and West Elgin municipalities. Our diabetes services are open to anyone and are offered at multiple locations in Elgin County.

We strive for a healthy and supportive work environment valuing compassion, excellence, collaboration, accountability, respect and equity. Our vision supports a vibrant and caring community, people and workplace and is demonstrated by the Centre's 2021 Healthy Workplace award and 2023 CMHA recognition for workplace mental health initiatives.

Primary Care Nurse Practitioner

Full-Time Employment (37.5 hours a week)

up to \$65.79/hour

competitive benefits, generous paid time off and HOOPP pension

Our Centre is located in the beautiful rural community of West Lorne, Ontario conveniently situated a half hour outside of London and Chatham. West Elgin is an amazing area to live, work and play with Lake Erie a 10 minute drive from our Centre.

Working on-site, our interdisciplinary team includes nurses, nurse practitioners, physicians, diabetes educators and dietitians, therapists, youth advocacy, programs and services for seniors and adults with disabilities, systems navigation and health promotion as well as on-site support from several partnership agencies.

Primary Responsibilities:

- Perform client assessment, diagnosis, treatment, health education/counseling and other clinical activities
- Perform responsibilities in accordance with the College of Nurses of Ontario Registered Nurses, Extended Class (RN-EC) standards of practice and within the Centre's policies and procedures
- Work towards the achievement of the performance indicators outlined in the Ontario Health West Accountability Agreement and the Health Centre's Strategic Plan

Qualifications:

- Current Registered Nurse, Extended Class (RN-EC) in good standing with the College of Nurses of Ontario *required*
- Personal professional liability insurance *required*
- Understanding the challenges facing rural populations *preferred*
- Ability to work one night a week (*Tuesday or Thursday*) and on-call rotation
- Alignment with the Centre's mission and values is *essential*
- Experience with EMRs. PS Suites knowledge *preferred*
- Proof of Covid-19 vaccination, or valid medical exemption and current vulnerable sector police check *required*

The Centre is committed to a respectful, diverse, accessible and inclusive work environment. We encourage and welcome applications from persons with disabilities and a broad range of cultural, ethnic, racial and gender identities and expression. Reasonable accommodation will be provided in all phases of the recruitment process.
