

# JOIN OUR TEAM

## ABOUT US:

The West Elgin Community Health Centre has served our rural communities for 30 years. We work alongside extraordinary people at the Centre. We are very proud to be a part of an alliance of community health centres across the province where we focus on improving the health and wellbeing of people and communities. We continue to value and advocate for a more inclusive society.

We believe that housing, education, food and the environment all play a role in health and well-being. We also believe that language, literacy and poverty should not get in the way of receiving great care.

Our team provides primary health care, illness prevention and health promotion services as well as a range of community programs primarily to the residents of Dutton Dunwich and West Elgin municipalities. Our diabetes services are open to anyone and are offered at multiple locations in Elgin County.

We strive for a healthy and supportive work environment valuing compassion, excellence, collaboration, accountability, respect and equity. Our vision supports a vibrant and caring community, people and workplace and is demonstrated by the Centre's 2021 Healthy Workplace award and 2023 CMHA recognition for workplace mental health initiatives.

## Primary Health Services Director

**Full-Time Employment (37.5 hours a week)**  
**\$86,232 - \$101,449 per year with competitive benefits**

*The job description is under review in line with the Centre's Strategic Plan. This review, which may alter the position's portfolio, will be incorporated into the employment agreement.*

The West Elgin Community Health Centre is located in the beautiful rural community of West Lorne, Ontario conveniently situated a half hour outside of London and Chatham.  
This leadership position works on-site.

## Primary Responsibilities:

The Primary Health Services Director leads and manages all aspects of programs and services development, implementation, monitoring and evaluation for the Primary Care, Diabetes, Chiropractic, Chronic Disease Management, and Physiotherapy programs and teams. The Director also coordinates other programs and services offered at the Centre including Needle Exchange.

## What Do You Bring to the Position?

- \* Degree in health sciences, social services or healthcare management. Regulated healthcare professional preferred.
- \* Three (3) years of progressive clinical program management ideally in a healthcare setting. Non-profit experience preferred.
- \* Excellent interpersonal and leadership skills with demonstrated alignment with our mission, vision and values.
- \* Exceptional HR and employee engagement skills, and strong operational administration experience required.
- \* Willingness and ability to travel as required where public transportation is not available.
- \* Full COVID-19 vaccination status or medical exemption and current vulnerable sector police check required.

*The Centre is committed to a respectful, diverse, accessible and inclusive work environment. We encourage and welcome applications from persons with disabilities and a broad range of cultural, ethnic, racial and gender identities and expression. Reasonable accommodation will be provided in all phases of the recruitment process.*
