

The West Elgin Community Health Centre is currently seeking a:

Systems Navigator Community Support Services

PART-TIME CONTRACT
up to 37.5 hours bi-weekly
(approximately a 10 month
duration subject to funding)

ABOUT US:

The West Elgin Community Health Centre is part of a strong network of community health centres across the province. Together we commit to providing health and social services that are accountable, accessible, efficient and governed by the community.

Our team provides primary health care, illness prevention and health promotion services, as well as a range of community programs primarily to the residents of Dutton Dunwich and West Elgin municipalities. Our diabetes services are open to anyone and are offered at multiple locations in Elgin County.

We believe that housing, education, food and the environment all play a role in health and well-being. We also believe that language, literacy and poverty should not get in the way of receiving great care.

At the West Elgin Community Health Centre, EVERY ONE MATTERS.

JOIN OUR TEAM

A Systems Navigator assists people in navigating the health, community and social service systems while providing psychosocial support through the process. This temporary, part-time position will focus on vulnerable clients in our community with an emphasis given to adults with disabilities, mental illness and those living in poverty or homelessness. This position is funded through the United Way program "Reaching Home Grant for Rural Communities".

PRIMARY RESPONSIBILITIES:

- Actively involved in the short-term and long-term planning to prevent homelessness.
- Engage with people who are homeless or at risk of homelessness and develop a strategy to provide a variety of supports to help individuals stabilize their lives.

QUALIFICATIONS:

- Experience working with marginalized people and with homeless individuals with complex needs. Experience working with vulnerable populations.
 - Mental health training an asset.
 - Must be a reliable, self-starter committed to connecting people to supports and services.
 - Must be confident to work alone and as part of a team.
 - Undergraduate degree from a recognized university in a relevant discipline and significant related experience in a community setting.
 - Flexibility to work evenings/weekends according to program needs.
- Note: there is a potential for increase in hours contingent on funding.

APPLY TODAY!

Applications accepted until June 16, 2020
Candidates invited to interview will be contacted

Send Resume by mail or e-mail to:
