

**West Elgin Community
Health Centre is hosting**

**COVID VACCINATION
CLINICS again**

Please share this information with friends and family

The intent of these new clinics is to offer SECOND DOSES to those the Health Centre vaccinated in Dutton (May 25/21) and in West Lorne (June 1/21). We will be giving the Pfizer Vaccine again.

We WILL BE CALLING everyone who attended the clinic to offer their second dose at the clinics listed below. We hope for this process to start the week of July 5. Please be patient... we will contact you.

**JULY 21, 2021
Dutton Community Centre
1 Scotland Drive St. Dutton ON
9am to 8pm
By appointment only**

**JULY 28, 2021
West Lorne Arena
171 Graham Rd, West Lorne ON
9am to 8pm
By appointment only**

**We anticipate the availability of additional doses to offer first or second doses to the general public ages 12 and up.
We will not know how many extra doses are available until we contact those already promised second doses from our previous clinics.
Once we know we will post on social media how to request an appointment.**
