

JOIN OUR TEAM

ABOUT US:

The West Elgin Community Health Centre has served our rural communities for 30 years. We work alongside extraordinary people at the Centre. We are very proud to be a part of an alliance of community health centres across the province where we focus on improving the health and wellbeing of people and communities. We continue to value and advocate for a more inclusive society.

We believe that housing, education, food and the environment all play a role in health and well-being. We also believe that language, literacy and poverty should not get in the way of receiving great care.

Our team provides primary health care, illness prevention and health promotion services as well as a range of community programs primarily to the residents of Dutton Dunwich and West Elgin municipalities. Our diabetes services are open to anyone and are offered at multiple locations in Elgin County.

We strive for a healthy and supportive work environment valuing compassion, excellence, collaboration, accountability, respect and equity. Our vision supports a vibrant and caring community, people and workplace and is demonstrated by the Centre's 2021 Healthy Workplace award and 2023 CMHA recognition for workplace mental health initiatives.

Chiroprapist

Full-Time Employment (37.5 hours a week)
\$80,068 per year
competitive benefits, generous paid time off and HOOPP

Did You Know?

- * Our Director of Primary Health Care is also an experienced Chiroprapist. What a benefit to have this expertise onsite!
- * Our new Chiroprapist will have a large amount of autonomy with the advantage of working within an interdisciplinary model of care. Physicians, nurse practitioners, nurses, diabetes education, therapists, health promotion and systems navigation are also onsite.
- * The West Elgin Community Health Centre is located in the beautiful rural community of West Lorne, Ontario conveniently situated a half hour outside of London and Chatham.
- * West Elgin is an amazing area to live, work and play with a 10 minute drive to Lake Erie from our Centre!

Primary Responsibilities:

- * Perform and document assessment, diagnosis, treatment plans, education/counseling, and all clinical care within the scope of practice as set-out in COCOO guidelines.
- * Maintain equipment, and supplies and observe infection prevention and control standards.
- * Collaborate with Centre disciplines and community partners.
- * Work towards achievement of performance indicators and outcomes identified in the Centre's Accountability Agreement and Strategic Plan.

What Will You Bring to the Centre?

- * Current registration with the College of Chiroprapists of Ontario and in good standing with no limitations.
- * Willingness to practice full Chiroprapist scope.
- * Interest in wound care and offloading is an asset.
- * Ability to function within an interdisciplinary team setting.
- * Proficiency and accuracy in the use of EMR.
- * Full COVID-19 vaccination status or medical exemption and current vulnerable sector police check required.
- * Eagerness to make the Chiroprapist program your own!

The Centre is committed to a respectful, diverse, accessible and inclusive work environment. We encourage and welcome applications from persons with disabilities and a broad range of cultural, ethnic, racial and gender identities and expression. Reasonable accommodation will be provided in all phases of the recruitment process.
