

Welcome to *Your* Community Health Centre

We are glad you're here...

West Elgin
Community
Health Centre

The West Elgin Community Health Centre has served our rural communities for over 30 years.

We work alongside extraordinary people at the Centre and are very proud to be a part of an alliance of community health centres across the province.

Our Centre focuses on improving the health and wellbeing of people and communities as we continue to value and advocate for a more inclusive society. We believe that housing, education, food, and the environment all play a role in health and well-being. We also believe that language, literacy, and poverty should not get in the way of receiving great care.

Our team provides primary care, illness prevention, health promotion services, and a range of community programs primarily to the residents of Dutton Dunwich and West Elgin municipalities. Our diabetes services are open to anyone and are offered at multiple locations in Elgin County.

We strive for a healthy and supportive work environment valuing compassion, excellence, collaboration, accountability, respect, and equity. Our vision supports a vibrant and caring community, people, and workplace.

JOB POSTING

Nurse Practitioner, Primary Care

One Vacancy, Full-Time Employment

\$67.11/hour, 37.5 hours per week

HOOPP, Benefits Eligibility First Day

Generous Paid Time Entitlements and Paid Professional Development Time

Following a placement at the Centre in West Lorne, the Nurse Practitioner will work in our new Dutton satellite location alongside a registered practical nurse. It is an exciting new role expanding the Centre's primary care services into Dutton-Dunwich.

Why Work in Community Health?

Work with an amazing, interprofessional team and make a difference every day to our clients and rural communities. We offer comprehensive, non-profit primary healthcare and community support services guided by a shared Model of Health and Wellbeing and a Health Equity Charter.

Qualifications and Experience:

- Current Registered Nurse, Extended Class (RN-EC) in good standing with the College of Nurses of Ontario. Perform responsibilities within CNO Registered Nurses, Extended Class (RN-EC) standards of practice and the Centre's policies and procedures. Computer / EMR proficiency is required.
- Personal professional liability insurance and a satisfactory, current vulnerable sector police check are required.
- Understanding the challenges facing rural populations.
- Alignment with the Vision, Mission, and Values of the Centre.

APPLICATION:

Please send resume by mail or e-mail to Human Resources @ dthomas@wehc.on.ca
