

About the West Elgin Community Health Centre

The Centre has served our rural communities for 30 years. We believe that housing, education, food and the environment all play a role in health and well-being. We believe that language, literacy and poverty should not get in the way of receiving great care. At our Centre we continue to value and advocate for a more inclusive society.

VISION:

Vibrant and Caring Communities, People and Workplace

MISSION:

Partnering with our communities to achieve the best health and wellbeing for all

VALUES:

Compassion, Excellence, Collaboration, Accountability, Respect and Equity

Assisted Living

Our support workers assist high-risk seniors in the community by providing assistance with personal care tasks like dressing, grooming, bathing, housekeeping, and laundry. We also offer medication reminders, security checks, and social support to ensure their well-being. There is no cost to eligible clients. **Please call Ext. 2226** for information.

Meals on Wheels

A support service that provides meals to individuals ensuring their nutritional needs are met. Volunteers deliver the meals offering social interaction and checking on the client's health and safety. Hot and/or frozen meals are delivered three times a week. For more information or to order, **please call Ext. 2319**.

Friendly Visiting

This program pairs clients with a dedicated volunteer who regularly spends quality time with them engaging in activities they enjoy. Whether in person or over the phone, these visits offer companionship and bring joy to those who might otherwise feel isolated. For information, **please call Ext. 2399**.

Home and Community Support programs play a crucial role in the community helping seniors and adults with disabilities maintain their independence, health, and safety.

We serve seniors and adults with disabilities from Dutton Dunwich and West Elgin municipalities. You do not have to be a client of the Centre to access these programs and services.

At the West Elgin Community Health Centre, they're all about mixing things up to keep us engaged and healthy. From getting our hands dirty in the community garden to getting creative with Arting Around sessions, they're always coming up with interesting ways to inspire us and keep wellness fun."
